## Your Escrow Surplus

Based on the projected activity above, our review shows that you will have a surplus of \$23.13. This amount will remain in your escrow account and your monthly payment will be reduced by (\$1.92) over the next 12 months. See Your New Mortgage Payment on page 1 for more details.

Lowest Projected Balance	\$1,268.74
Minimum Required Balance	\$1,245.61
Escrow Surplus	\$23.13

PennyMac requires a minimum balance up to one-sixth of the estimated total annual payments from your escrow account, unless state law or your mortgage contract requires less, to help cover any unexpected increase in taxes and/or insurance. The minimum required balance does not include mortgage insurance.

**Escrow Account History**

The following is the statement of activity in your escrow account from June 01, 2020 through May 31, 2021.

Last year, we anticipated that payments from your account would be made during this period equaling \$7,320.69. Your lowest monthly balance should not have exceeded \$1,220.11, or 1/6 of anticipated payments from the account, unless your mortgage contract or state law specifies a lower amount.

Your actual lowest monthly balance was greater than \$1,220.11. The items with an asterisk on the table below may explain this.
